

Welcome Back!(Or for newbies - Welcome!)

Back to school – a time of mixed emotions for both students and parents! I find myself looking forward to routine and schedules, but at the same time I will miss the lazy summer evenings with late dinners and swimming until dusk.

We’ve started this newsletter in hopes of keeping everyone informed on whom we are and what we do. We are more than just fundraising! I’m sure you have all noticed our newest addition to our school – the playground expansion! The council worked our butts off last year to make this new accessible playground a reality for our kids and our community. Although we had raised enough to install the playground, we did run into a few snags with the install, which unfortunately cost us an extra \$4000! We really need your help, so if you or anyone you know can donate to the playground fund, we will be forever grateful!

It is a very small council so we are always seeking help from our awesome student, staff, parent and grandparent population. Please be sure to go online and sign up to volunteer throughout the school year.

We look forward to getting to know our new staff members, parents and students as we venture through another fun filled and crazy school year.
